City Treasurer launches BondLink website!

HARTFORD, CT – The office of the Treasurer launches its Bondlink website.

BondLink will allow investors and City residents to have transparent access to all of the City’s financial documents.

Treasurer Cloud said “BondLink will attract more bond investors while keeping residents fully informed about the City’s debt programs. As an Investor Relations tool, BondLink will generate more interest in the City’s bonds, thereby lowering our borrowing cost”.

The City Treasurer is the custodian and investor of all City funds and serves as Co-issuer of all City debt, pursuant to the Charter of the City of Hartford.
